

IBCM Terms and Conditions of study

IMPORTANT AND SURPRISING TERMS

ALL of the information in this document is relevant to your planned studies with International Business College Manchester. However we have highlighted here some specific important and/or surprising terms and conditions for your information:

COVID-19

IBCM is monitoring all developments in line with Covid-19 and following all requirements of the UK Government in respect to all study programmes and the impact on potential and actual IBCM students. IBCM is committed to ensuring that all applicants and students are afforded protection and assistance and continue to receive a high quality programme of study with us.

Changes to the method of delivery may be made to your study programme – for example planned face to face delivery of programmes may be changed to online learning where either the college premises have to close in line with government directives, or where students are prevented from travelling. The IBCM COVID-19 Strategy document outlines all the ways in which IBCM will care for your health and your educational experience at this time. Guidelines will change in line with developments and are being continuously monitored.

Fees and refunds

Details of fees and refunds are listed in (3) below. You can also refer to IBCM Fees and Pricing Policy and IBCM Refunds and Compensation Policy for further information.

You are required to pay your fees when they are due. You will be notified in advance of your fees and any other costs that you are liable to pay and these will be confirmed in the letter offering you a confirmed place on your programme. Assuming there are no breaks in your period of study, the tuition fees notified in your offer letter will remain unchanged for the duration of your course. The tuition fees for courses commencing in the following academic year will be reviewed by the Board of Governors. Where these may or will rise in future years this will be communicated at the earliest possible opportunity to applicants and to students returning to courses after a period of suspension. The College will only increase annual tuition fees in line with inflation, as calculated in line with the Retail Price Index and as approved by the Board of Governors.

Changes to your programme

As detailed in (7), it is the policy of IBCM that courses will run in line with all published information. In the rare circumstances where IBCM is required to make a substantive (material) change to your course, it will always seek to minimise the impact of these changes where possible. Your options following an unavoidable material change are detailed below and, as indicated, if you no longer wish to continue you do have the right to cancel this contract.

1. Admission

- 1.1 All applicants must satisfy the entry requirements for their specified programme of study prior to being accepted for the course. Individual course specifications provide full details of these. Please also see the IBCM Admissions Policy
- 1.2 Applicants from outside the UK must meet the requirements of the United Kingdom Visas and Immigration (UKVI) and ensure that they meet the requirements of their home country in relation to study abroad
- 1.3 The application form must be completed in full and returned with all appropriate documentation including:
 - Copy of passport and visa (if applicable)
 - Evidence of qualifications/education (educational and professional documents)
 - Current CV
 - Police check from host country/DBS check if working within the UK
 - Evidence of appropriate level of English (IELTS or Equivalent)
 - Supporting financial evidence as applicable
- 1.4 IBCM may refuse a place/remove the offer of a place of any applicant who made a false statement in the admission process by providing false or misleading information or who did not disclose information that would have adversely affected the application.
- 1.5 Applicants will be advised if a placement can be offered via an offer letter which will set out course details and tuition fee payable. Full fees must then be paid and the acceptance letter returned, in order for the place to be confirmed.
- 1.6 Following payment and official confirmation, students requiring a Student route visa will be issued with a Confirmation of Acceptance for Studies (CAS) which can then be used to support the application to stay in the UK. Applications for visas must be made within one month of the date the CAS was assigned. ***Please note that visa applications can take over one month to complete so ensure you allow sufficient time before your course start date.***
- 1.7 Applicants have the right to appeal against an unsuccessful application within the criteria stipulated in the [Admissions Policy](#)

2. Registration

- 2.1 Students are required to register at the commencement of the programme and to re-register at the commencement of each year or stage.
- 2.2 At registration students are to present proof of identity and any other relevant documentation (original copies) and all necessary information to enable the college to administer their programme and complete statutory returns
- 2.3 Student status commences on registration for the programme and continues, unless otherwise terminated, until the end of the specified period of study, including any extension of the period of study approved by IBCM. This is subject to a requirement to re-register at the start of each programme year or stage.

- 2.4 Students are required to register using their full legal name and to advise their designated Programme Leader promptly, in writing, with required documentary evidence, of any change to their name.
- 2.5 Students must register at the beginning of each programme year or stage relevant to the programme. After initial registration, a student is only permitted to re-register provided that all relevant fee payments have been made.
- 2.6 Continued registration is subject to satisfactory progress and satisfactory performance in any assessment and/or examinations. Any decisions in respect of withdrawal on the basis of unsatisfactory performance/progress will be made by Senior Management in conjunction with the relevant awarding body.

3. Fees and refunds (see also IBCM Refunds and Compensation Policy)

- 3.1 The fees for each programme of study are detailed on the IBCM website under the programme information for each course. the awarding body, or non-payment of appropriate fees. All students have the right of appeal to any such action.

6.3 Where a student fails to attend or engage in assessment and fails to respond to official correspondence from IBCM, the student will be notified in writing that IBCM has assumed withdrawal by the student. The student will be given the opportunity to challenge the status of assumed withdrawn.

7. Changes to your programme

7.1 **Non-material changes:** IBCM Policy to programme and module changes is that these will only be made if:

- (i) they do not result in a change to published material
- (ii) they are regulatory/Awarding Body changes that are outside IBCM's control and could not be planned for
- (iii) They are demonstrably beneficial to students
- (iv) All students who will be affected will be consulted and informed consent to the changes obtained

7.2 **Material (substantive) changes:** As above, the policy of the college is that programmes and modules (units) will run in accordance with published information. In the rare instances where material changes have to be made to planned or actual programmes, applicants and students will be informed at the earliest opportunity

Applicants will be given sufficient information to enable them to decide whether the programme remains suitable or whether they wish to withdraw their application or change to an alternative course. If the student wishes to withdraw any fees already paid will be refunded. For students already on a programme, notification will be given where a material change to a programme is proposed. The views of the student will be sought on any potential changes before a decision is made on whether to proceed with the proposal, modify the proposal or withdraw the proposal (See Student Protection plan and IBCM Refunds and Compensation Policy).

As detailed in "Important and Surprising regulations" above, where material changes are unavoidable, students dissatisfied with the changes will wherever possible be offered an alternative programme. Should a student remain dissatisfied and choose to withdraw from the programme, an appropriate refund of fees will be paid (See Student Protection plan and IBCM Refunds and Compensation Policy).
